

COMING SOON

Dear Partner,

We are currently in the process of converting from Intralinks to a new and improved investor relations portal where you will be able to access the Fund(s) financial reports and tax statements. In the interim, we will be sending correspondence and reports hard copy by mail to the address(es) that we have on file, or if you have a request, please contact us at 612-371-9650.

Thank you for your support and confidence.

Spell Capital Partners
